**Subject:** Reminder about water service at clubhouse

Jack,

The board of trustees are sending this message to inform you that the water supply at the clubhouse is not permitted for residents to use such as watering plants, filling up buckets to water trees on common areas. The Remington Oaks Recreation Board of Directors has informed our board of trustees that effective immediately that any non-trustee obtaining water at the clubhouse is not authorized to obtain water from their water hoses/faucets.

Should the clubhouse find someone taking water without the prior approval of the Remington Oaks Recreation Association Board of Directors, they will contact the authorities to report theft of their water. This is a courtesy reminder to you as you were a trustee in 2015 and may have been under the impression this privilege was still in effect from when you were watering plants in 2015.

Thank you,

Villages of Remington Oaks Trustees

Rick Lord

Tim Boyle

Dan DeLay

Carolyn Hensel
