- 3. Annual Assessments. The maximum annual assessment shall, until increased as herein authorized, be Two Bundred Dollars (\$200.00) per Lot; provided, however, that the Trustees may increase such assessment for any assessment year by an amount which is equal to the increase in the Consumer Price Index United States All Items Pigure as published by the United States Department of Labor Statistics as indicated by the last available Index published prior to the assessment year over the corresponding last available Index published prior to commencement of the first assessment year hereunder. If such Index be discontinued, the Trustees shall utilize a successor index, determined by the Trustees in their sole judgment, to be most similar to the discontinued Index.

The Trustees may, after consideration of current maintenance costs and future costs and needs, fix the actual assessment for any year at a lesser amount. The Trustees may change the basis and maximum of assessments provided for herein upon the approval of a majority of the Trustees and the assent of a majority of the votes of Owners who are voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall have been sent to all Owners at least thirty (30) days in advance and shall set forth the purpose of the meetings.

Each annual assessment shall be due on the date which is thirty (30) days after such mailing or posting and shall become delinquent if not paid within thirty (30) days following such due date.

4. Storm Water Pacilities. In addition to the foregoing, the Trustees are authorized to make separate annual assessments

upon and against each Lot for the purpose of maintaining or repairing storm water storage, disposal or sewer facilities located within the Properties; PROVIDED, HOWEVER, the separate power granted to the Trustees by this Section 4 shall shall expire with the calendar year following the acceptance of any such storm water facilities for maintenance by the St. Louis Metropolitan Sewer District or another appropriate governmental body or public utility. Any assessment made under authority granted in this, Section 4, shall be assessed and collected in the same manner as the assessments under Section 3 above, and the Trustees shell have the same powers of collection and lien rights against the Lots as provided in said Section 3.

- 5. Special Assessments. If any any time the Trustees consider it necessary to make any expenditure requiring an assessment additional to the annual assessment they shall submit a written outline of the contemplated project and the amount of the assessment required to the then Lot Owners. The limit of the annual assessments for general purposes as set forth in Section 3 hereof shall not apply to any assessment made under the provisions of this Section 5. Notice of any special assessment hereunder shall be given in the same manner as notices of annual assessments are given, with such assessment becoming delinquent thirty (30) days after the date of such notice.
- 6. <u>Prorations</u>. Should a Lot become subject to assessments after January 1 in any year, and should an annual or special assessment have been levied for that year, then such assessment shall be adjusted so that such Lot shall be charged with a portion of the assessment prorated for the balance of that year.
- 7. Interest and Liens. All assessments shall bear interest at the rate of one percent (1%) over the from time-to-time floating rate of prime interest charged by Hercantile Bank National Association to its best and most creditworthy customers from the date of delinquency, and such assessment, together with interest and costs of collection, shall constitute a lien upon the Lot against which it is assessed until the amount, together with interest and charges, is fully paid. As an assessment becomes delinquent, the Trustees may execute and acknowledge an instrument reciting the levy of the assessment and cause the same to be recorded in the Recorder's Office of St. Louis County, Missouri, and thereafter institute any appropriate legal action to enforce such lien. Should an Owner pay an assessment after the recording of a notice thereof, as herein provided, the Trustees shall cause to be executed and recorded (at the expense of the Owner of the affected Lot) a release of said lien.

The lien of the assessments provided for herein shall be subordinate to the lien of any institutional (bank, savings and loan association, pension or retirement fund, insurance company or federally insured mortgage) first mortgage now or hereafter placed upon any Lot with respect to which assessments have become due and payable prior to a sale or transfer of such Lot pursuant to foreclosure or transfer in lieu of foreclosure. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The term "mortgage" or "mortgages" shall include deed or deeds of trust.
